

CITIZEN'S CO-OPERATIVE HOSPITAL LTD.

Have you ever had a Fall or Fracture ?

Fracture Liaison Service “FLS”

Fracture Liaison Service (FLS), a fracture prevention program, provides a bone evaluation and develops a personalised plan for you to reach and maintain your bone health to prevent future broken bones (also called fractures).

If you are age 50 or older and have had a broken bone the FLS coordinator may contact you in case you haven't

To know more call us at 022 2447 2694 or
email: fls@shushrushahospital.org
